

THE WHITE HOUSE

WASHINGTON

August 25, 2015

Congratulations on your 60th anniversary.

America's small businesses are the lifeblood of our economy, creating jobs and new opportunities and serving as cornerstones of our communities. With energy, ingenuity, and perseverance, their owners and staff embody the essential American belief that if you work hard and take responsibility, you can build something great and forge a brighter tomorrow for the next generation.

For years, small businesses and their employees have carried forward this tradition in their communities. By driving growth and spurring innovation, they help ensure our Nation remains on the cutting edge while delivering the products and services that shape our neighborhoods and enrich our lives.

I wish you all the best for the years ahead.
